80th Birthday of J. A. R. Corwin, Surrounded by Family.

Saturday, May 6, was a very enjoyable day at J. A. R. Corwin's, it being his 80th birthday, when his children and grandchildren, thirteen in number, were all present to help him celebrate the event. His brother, Dr. M. H. Corwin, and wife and his brother-in-law, A. C. Hatch, and his wife, of Norwich, Conn., were also present. He was not expecting anyone excepting his oldest and youngest sons, Charles R. and Vinton A., respectively, and when the rest arrived a little past 5 o'clock Friday afternoon, he was completely taken by surprise. Saturday, 15 of the family took a ride about town in Ben Goodrich's barge and all were united in the expression that they had a most enjoyable ride. Mr. Corwin has been a resident of this town during the past 72 years, having come here with his parents from Lowell, at the age of eight years. He went into the store of George E. Hyde & company as a clerk in 1863, and in the spring of 1864, he and George Lathrop bought out the firm and carried on the business under the name of Corwin & Lathrop until the fall of 1865, when he and his brother-in-law, William Veazie, of Somerville, Mass., bought out the firm of Corwin & Lathrop and they carried on the business under the name of J. A. R. Corwin & Co., until the fall of 1868, when he purchased the Veazie interest and it was carried on under the name of J. A. R. Corwin until the spring of 1899, at which time he sold one half of the business to his son, Ernest A. Corwin. Since that time the business has been carried on under the firm name and style of J. A. R. Corwin & Son, making 47 years since Mr. Corwin first went into the store, where he has since and is now doing business.

He was the recipient of many letters and thirty-five post cards congratulating him upon arriving at his eightieth birthday and he also received a number of valuable presents. Mr. Corwin is a well-preserved gentleman of the "old school" and bears his burden of years much lighter than many who are ten and even fifteen years his junior. He reads without glasses and takes a lively interest in all that is doing in town, whether it be business or pleasure arising from social functions or the harmless games and sports of the present day, and throughout his long business career he has enjoyed the distinction of knowing and realizing that those who had come to know him through business transactions or otherwise, regarded his word as good as his bond. Of those present upon the occasion, Mr. and Mrs. Charles R. Corwin of Somerville, Mass., Mr. and Mrs. Harry J. Corwin of Lowell, Mass., Vinton A. Corwin and Miss Flora A. Corwin of Boston, Mass., Arthur Corwin and lady friend of Somerville, Mass., Mr. and Mrs. A. C. Hatch of Norwich, Conn., left for their several homes Monday afternoon, wishing the venerable gentleman and ancestor many years of life with the full enjoyment of all his faculties.

Wilbur Smith, who has been in very feeble health for several months, is slowly improving and he is able to ride to the village and call on friends.

At the auction sale of C. D. Stearns on the west hill last Saturday, there was a large attendance and property sold at good prices, cows selling as high as sixty-six dollars.

Deputy Sheriff Henry Lawson of Montpelier was in town Tuesday on official business and was accompanied by his wife and son, and Mrs. Frank H. Tracy. They made the trip by auto.

Ralph Sanborn, who has worked during the spring for A. B. Bicknell and son, of Tisbury, has completed his services there and will go to Lowell, Mass., on Saturday, to work for a time for Charles L. Hood.

The Chelsea Electric Light & Power company resumed making bobbins Monday, after a shut down of about three weeks, during which time they have been making changes and improvements in and about the plant.

The first baseball game of the season to be played in town will be at Mattoon's park Saturday afternoon of this week, when the local high school team will play the South Royton high school team and a good game is expected. This is a return game, the local team winning the first game.

Mr. and Mrs. William F. Hood returned Monday evening from an absence from town of four months, during which time they have been the guests of their daughter, Mrs. George J. Helmer, and family, of Upper Nyack, N. Y. The health of both Mr. and Mrs. Hood has been substantially benefited by the rest they have taken.

NORTH CALAIS.

Death of Mrs. Matilda Fair, After Long Illness.

Mrs. Matilda A. Fair died at her home in North Calais, Friday, May 5, at six o'clock. She had been a great sufferer for many long, weary months, but ever bearing her suffering with patience and cheerfulness. She was born in Calais, September 21 1837, and had always lived in town, with the exception of one year in East Montpelier, when about ten years of age.

She was married to Shubael Fair, May 23, 1857, who died September 18, 1907. Her whole life was given to those about her. She was a devoted wife and mother, and a faithful friend to everyone who knew her. She leaves one daughter, Mrs. Edith Beard, to whom much sympathy is extended. Services were conducted at her late home Monday afternoon by Rev. J. Edward Wright of Montpelier. There was a profusion of beautiful flowers from relatives and friends. The interment was at East Calais.

"We shall miss your kindly counsel, for your place cannot be filled. We have one thought to sustain us, in this time of grief and care, that he whom you loved of all others, is waiting for you there."

Col. H. S. Foster was in Burlington a part of this week.

Miss Alma Leonard called on friends here the first of the week.

Among those from out of town to attend the funeral of the late Mrs. Fair were Mr. and Mrs. Gardner Orton of Burlington, Mr. and Mrs. M. H. Teachout of Montpelier, Louis and Wayne Martin of Hardwick and Mr. and Mrs. Eugene Reynolds of Williamstown.

AFTER BABY'S BATH.

Then is when the careful mother or nurse dusts a soothing, absorbent powder all over the tiny body and limbs, under the arms and in the folds of the skin to take up the last traces of moisture and prevent chafing.

Common talcums are not the best for this, as their strong perfume is irritating. Trained nurses prefer Comfort Powder, which is harmless, healing and soothing. It not only makes the skin satin-smooth but heals pimples, rashes and sores. Try it for baby's sake. See that signature E. S. Sykes is on the box you buy.

REST AND HEALTH TO MOTHER AND CHILD.

Mrs. Winslow's Soothing Syrup has been used for over SIXTY YEARS by MILLIONS of MOTHERS for their CHILDREN WHILE TEething, with PERFECT SUCCESS. IT SOOTHES THE GUMS, CURES THE GUMS, ALLAYS ALL PAIN, CURES WIND COLIC, and is the best remedy for DIARRHOEA. It is absolutely harmless. The sure and safe "Mrs. Winslow's Soothing Syrup," and take no other kind. Twenty-five cents a bottle.

The trained Shetland pony, Don, who with his master, Claude Frederick, is playing a vaudeville engagement at the Pavilion, proved to be an excellent attraction; in fact, one of the best novelties ever seen at the Pavilion. The pony is a handsome little animal and his ways of doing things bring forth many roars of laughter. The pony's smallness of build and gentle ways win the audience instantly. At times it seems to

NEW DEPARTURE

Selling Medicines at Half Price Under Guarantee of Cure.

After two months of remarkable sales, D. F. Davis, the enterprising druggist, says that his plan of selling at half price the regular 50 cent size of Dr. Howard's specific for the cure of constipation and dyspepsia, and guaranteeing to refund the money if it does not cure, has been the greatest success he has ever known.

Anyone suffering with dyspepsia, constipation, liver troubles, headaches, dizziness, coated tongue, or the general tired feeling, caused by inactive liver and bowels or disordered digestion, should take advantage of D. F. Davis' new departure and buy a bottle of Dr. Howard's specific at half price, with his personal guarantee to refund the money if it does not cure.

THE DANGER DANCE.

A Terpsichorean Novelty in "Madame Sherry" at Barre Opera House.

"The Danger Dance" is the latest musical comedy terpsichorean sensation. The dance was first introduced as a feature of "Madame Sherry" and came to America by way of Paris, where it was performed in the original French version of this international musical comedy success. The dance is

HAUEN MOSTYN

In "Madame Sherry" at the Opera House Saturday, May 13.

A logical issue of one of the sensations in the piece as will be seen at the opera house next Saturday, May 13th. Danced by Virginia Foster, who appears as the panther girl, and Wilmer Bentley, who appears in the role of a temperamental Frenchman, it is a novelty of the most sensational kind—not sensational in the sense of the Apache dance or the dances of Salome, but sensational in its poverty and physical daring. Both performers in this unique dance must be trained gymnasts as well as graceful dancers, for in its intricate movements the male dancer is always on the ground while his fair partner mostly in the air, whither he swings, pulls and tosses her as though she were the gay scarf which she wears. There is plot and expression in every movement of the dance. It depicts the pangs of jealousy that rankle in the heart of a red-blooded Spanish girl who believes herself slighted by her sweetheart. The woman's heart runs the gamut of all the deeper emotions and anger, hate, suspicion and despair are all expressed in this peculiarly rhythmic dance. Miss Foster, who figures as the human fabric who is whirled and twirled through space by the strong arms of her partner, wears a specially devised steel corset to protect her ribs from cracking in some of the heroic clinches.

"The Danger Dance" is performed to the entrancing measures of "The Mad Madrid" one of the musical gems of "Madame Sherry," which has almost as great a claim as the other fetching numbers of the piece. "Every Little Movement."

Do Ghosts Haunt Swamp?

No, never. It's foolish to fear a fancied evil when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowlands. These are the malarial germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell, of Lucama, N. C., "and I've had fine health ever since." Use this safe, sure remedy only. 50c at the Red Cross Pharmacy.
